CHAMBER OF
**BUSINESS
LEADERS**

WHAT IS THE GCBL?

The Global Chamber of Business Leaders is a coalition of governmental leaders, CEOs and executives, entrepreneurs, investors and business and industry leaders who share a common vision: the sustainable well-being and growth of business in a disruptive and ever-evolving global economy.

Global Chamber of Business Leaders prioritizes activities that align with the UN-declared Decade of Action, promoting the importance of the inclusion of the Sustainable Development Goals in the business models of the future, allowing our partners, members and participants to prepare their businesses to be vanguards of the future.

The GCBL fosters a vibrant and interconnected business community, encouraging resiliency, growth and market expansion in a progressive business environment where collaboration spurs growth; education enhances ability and promotes opportunity; and, advocacy influences authority.

FOREWORD

Dear Business Leaders,

I am honored to have been entrusted with the position of Chairman of the Global Chamber of Business Leaders, an outstanding organization that not only offers urgent solutions for recovery and resiliency in this transformational future, but also provides our members with a solid network of world-class connections, opportunities for collaboration, and mechanisms for business growth.

We are aware that the period 2020-2022 is fraught with uncertainty, disruption and challenges, but with each challenge, there is always opportunity. We aim to empower our members to embrace the challenges and work together to be the change-makers, leaders and architects of a new future.

Remember, alone we can do little, but together we can always do so much.

Dejan Štancer

CHAMBER OF
**BUSINESS
LEADERS**

GOAL OF THE GCBL

In this Decade of Action, business leaders, governmental officials and entrepreneurs from around the globe must come together in this global marketplace to share knowledge, facilitate business collaboration and opportunity, and work together to be a part of the global solution in this new, disruptive business environment.

Recognizing that innovative business models and best practices must unite with strategies of sustainability. It is our global mandate to govern, develop policy, and grow our businesses in a manner that makes a positive impact on the environment, society and our global economy.

CONSULTING/PR AND BUSINESS SERVICES

Offered through our strategic partner, we provide our members with access to premier consulting services, PR and business services, such as business development facilitation, breakthrough business models, business and project plans, 2030 strategies, brand management, public relations and marketing, crisis and emergency preparedness plans, creation of annual reports, stakeholder engagement plans and more.

REFERRALS

GCBL has become a trusted source for referrals, receiving inquiries from diplomats, government officials, businesses and individuals seeking introductions and referrals for an array of products and services. We are proud to offer our members the opportunity to expand their market access through our dedicated platform of referrals.

COMMITTEE CONNECTIONS & WORKING GROUPS

The Global Chamber of Business Leaders offer our clients the value of shared knowledge through our various committees and working groups. Our members have the opportunity to serve on these targeted committees, or glean knowledge, advice or perspective through participation in a themed working group. The GCBL committees and working groups host panels and workshops at each of the GCBL events, allowing participants to interact in a more targeted and focused setting.

EVENTS

The Global Chamber of Business Leaders hosts an annual summit, awards and gals, uniting our members from around the globe. We feature world-class speakers and industry leaders, plenary discussion, panels, workshops and information sessions.
